

**A miscellaneous collection of diverse and eclectic articles on Greece and Rome for your whimsy - Attachment K**

**GREEK**

i – Decoding Homer with Indian wisdom: A cross-cultural dialogue in Canberra - Neos Kosmos

A Canberra lecture by Sanskrit scholar Vidwan Sri Arjun Bharadwaj bridged Indian and Hellenic philosophies, revealing shared truths, beauty, and a timeless quest for meaning across civilisations

ii - Osbourne Has No Right to Give Away What We Were Trusted to Restore and Guard: The Elgin Marbles Must Stay

iii - Where should the Elgin Marbles be displayed? | Mario Trabucco della Torretta

iv - The Dreadful, Astonishing Athenians. And what hubris meant in ancient Athens

v – New Documentary Uncovers the Story of Ancient Greece's 'Army of Lovers'

vi – How Free Trade Flowered In Ancient Greece | Hoover Institution

Could conditions in period of Greek “efflorescence” be used to support global free trade today? Ease of exchange of goods and high mobility, not just of goods, but of people moving between the city-states.

vii – Why the Ancient Greeks Never Adopted the Latin Language

viii - What Would Alexander the Great's Net Worth Be by Today's Standards?

ix – On Long-Suffering Odysseus: Why Christians Should Read Classics Written Before Jesus - Christ and Pop Culture

x - The Story Behind Homer's 'The Odyssey': Illustrated Artworks Of The Legendary Tales Related To Gods, Monsters & Odysseus' Epic Return. Visualizing Homer for Nolan

xi – Michael Cosmopoulos explores the origins of Greek epics in new book, 'The World of Homer'

xii – In a time of xenophobia, displacement and distraction, we need Homer's 'Odyssey' more than ever. Informed by scholarship and family history, Daniel Mendelsohn's translation is both vital and timely

xiii – MEDUSA STONES THE GAZE. THE USE AND ABUSE OF MYTH FOR FEMINISM

xiv – The beach wasn't always a vacation destination - for the ancient Greeks, it was a scary place. Ancient Greeks, thought the beach was a place of hardship and death. As a seafaring people, they mostly lived on the coastline, yet they feared the sea and thought that an agricultural lifestyle was safer and more respectable.

xv - Margites, the Archetypal Fool: Could This Be Homer's Lost Comedy?

xvi - Nietzsche's Interpretation of Ancient Greece: Between Apollo and Dionysus

xvii – Functional vibroacoustic implications of Doric temples geometrical design

This study explores the functional consequences of Doric temples' geometries, viewing them as a product of implicit experience-based knowledge (techné), where the temples' proportions are seen in relation to the environmental conditions and, especially, to winds and sound, both identified in ancient Greece as pneuma

xviii – Ancient Greek Art of Medicine Still Practiced in Today's India

xix - Modern Academic Says Gods Spoke to Ancient Greeks. Academic Julian Jaynes postulated that before modern consciousness occurred, the voices ancient Greeks heard in their heads were those of gods. In 1976 an obscure psychologist from Princeton University in New Jersey published a book titled, The Origin of Consciousness in the Breakdown of the Bicameral Mind.

## ROMAN
