The Year's Highlights !

Discover Gaëtan's selection to delight both young and old!

#1 Le Rêve de Louis XIV

The Sun King takes the stage with the new grand show "Le Rêve de Louis XIV", the most ambitious creation in Puy du Fou's 40-year history!

Young Madeleine dreams of dancing at court... But her destiny will take a different turn !

In a brand new flamboyant theatre, follow the moving story of a dancer of unparalleled grace, from her humble cottage to the magnificent palace of the Sun King. In the 17th century where one dances as much as one conspires, she must outwit the traps and intrigues of the court, alongside the most illustrious figures of the Grand Siècle. Will she achieve her dream? The three knocks echo through the immense baroque theatre... Let the show begin!

#2 Le Mime et l'Étoile

A Visual Poetic Gem to (Re)Discover Cinema and Its History

Set against the moving backdrop of a silent film shoot in 1914, Mimoza, a young dreamer and mime, tries to win the heart of Garance, a radiant actress. The director, convinced that only love can bring his work to life, captures every moment with passion.

Between illusions, tenderness, and cinematic nods, this black-and-white performance becomes a heartfelt tribute to the Seventh Art... while sensitively evoking the context of the First World War.

A magical moment to explore the history of cinema!

#3 L'Épée du Roi Arthur

A Heroic Journey to the Heart of Arthurian Legend.

Beneath the ramparts of a mysterious castle, young Tristan embarks on a thrilling quest to retrieve the legendary sword Excalibur and free King Arthur and his knights from a wicked curse. Designed to captivate both young and old, this new creation pushes the boundaries of live entertainment.

Epic battles, stunning special effects and cutting-edge technology unite for an immersive adventure like no other.

The perfect way to explore the Middle Ages in a fun and spectacular manner!

Educational Worksheets

Puy du Fou provides educational worksheets to help you better prepare your visit.

Covering topics such as History, Science, and Art History, these worksheets include:

- An introduction to the shows at Puy du Fou
- Numerous ideas for activities (Nature, Circus Games, the Hundred Years' War...)
- Fun exercises that students can complete during or after their visit

You can request them by email at commercial@puydufou.com.

(1) These workshops are available for all bookings made up to 7 days before the visit date. We reserve the right to modify or cancel one or more workshops without notice, subject to availability. One educational workshop is assigned per day of visit. Workshop times will be confirmed on arrival. (2) Personal invitation strictly reserved for active teachers (primary and secondary education), subject to availability, valid for a single date during the season. Limited to 4 teachers per school per year.

From birds of prey to protecting nature

The Puy du Fou Falconry Academy is the largest birds of prey centre in Europe.

After the show, students can take part in an interactive session with our falconers to learn about the birds' lifestyles and conservation methods for endangered species. This presentation references many topics from the school curriculum (bird characteristics, diet, reproduction, migration...).

Equestrian Performance

Students will discover the secrets of the largest performance stables in Europe.

Our riders explain the care given to the horses and all the techniques used in each discipline: vaulting, stunts, dressage, driving... This workshop can be extended with cultural and educational activities suitable for the students' age (horse care, horses in History...).
